Subject: Decision Document format?
Attachments: Decision Document - Action Memo.docx

Hi, Aaryn – We're drafting what we can of the decision document for the Florida assumption request, and have a format HQ put together based on previous efforts. Before we go too far down the road, though, is there a Region 4 format we should be using? This decision document will capture (at a high level) the review supporting approval or disapproval, to be published in the Federal Register as rulemaking. I sent the same question to Erica Jones, but think she is off today. Not sure if you're working, but trying to check on this to route something to Jeaneanne by Wednesday.

Thank you,
Rosemary
